

# RESOURCE SAVINGS

## VS SCHOONMAAK

used **green care** PROFESSIONAL products for professional cleaning in the period 01/01/2018 - 31/12/2018. We hereby certify the calculated resource savings of plastics, oil, and CO<sub>2</sub> are based on product quantities delivered to the customer.

The calculation was performed by the **green-Effective** PERFORMANCE CALCULATOR on [get.wmprof.com](http://get.wmprof.com)

The certified volumes and relative scores are based on Ecobabel and Cradle-to-Cradle® product certifications.

The plastic containers of the products covered by this certificate comprise **100%** recycled material (recyclate ratio). The calculation of the certification has been validated by environmental auditors of INTECHNICA Cert GmbH.

### Savings

**86 kg**  
Crude Oil

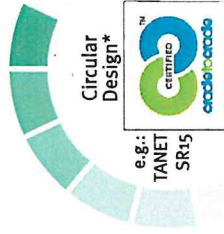

**44 kg**  
Plastic

**269 kg**  
Carbon Dioxide

### Certified Volumes

**100%**  
992 litres
